~ PROGRAMME ~

Neither of these biblical stories needs any introduction. We are taking you back to the 60's and 70's when the 'Rock Musical' was in its infancy. Michael Flanders' witty words are more than complemented by Joseph Horovitz's catchy rhythms and melodies.

Andrew Lloyd Webber is now a household name, but his music still has all the persuasive charm it had when he first came on to the West End, while Tim Rice's words give the old story a modern upbeat flavour.

Captain Noah and His Floating Zoo
